

LOANS FOR SOCIAL ENTERPRISES

Customized Financing

Since 1984, RSF has made over \$600 million in loans to social enterprises. We're the lender of choice for those seeking a values-aligned partner because of our ability to structure loans that truly meet the unique needs of mission-driven businesses and nonprofits.

FOOD AND AGRICULTURE

These social enterprises are planting the seeds of a regenerative future. They support biodiversity, pay farmers fairly, reduce food waste, and more.

CLIMATE AND ENERGY

The climate and energy enterprises we finance prove that our planet offers enough for everyone. They advance sustainable solutions and regenerate the planet.

EDUCATION

For 40 years, we have been a financial partner for schools across the country. We help education institutions invest in better facilities and thriving students.

COMMUNITY IMPACT

We finance community-level impact by supporting social enterprises in the arts, healthcare, housing, and more.

Financing options

Our working capital, term loans, and more have supported hundreds of mission-businesses and nonprofits.

LINES OF CREDIT

Steady access to cash - address business needs as they arise.

TERM LOANS

Fixed-rate, long-term financing to fund major projects.

REAL ESTATE

Finance construction or acquisition for your enterprise.

CUSTOM LOANS

Specialized products to meet your unique financing needs.

RSF's investment will help us scale our operations, acquire a new fulfillment center, and continue to expand our work. The challenges of food waste and food insecurity continue to be urgent, and RSF's support means we will remain equipped to respond.

Stories of Impact

MAD CAPITAL

Multiple term loans helped Mad Capital support hundreds of farmers in the Midwest as they transitioned from conventional to organic agriculture.

DAVID BROWER CENTER

Real estate financing from RSF helped this pioneering organization open a LEED-certified center that serves as a hub for the Bay Area's environmental movement.

Thank you for considering RSF as your financial partner. **We hope you'll join us.**
