

# Invest in regeneration

Since 1984, RSF has innovated finance tools and invested in healthier food systems, cleaner climates, whole-child education, community impact, and more. We’ve proudly channeled over \$1 billion towards social enterprises addressing the world’s most urgent issues.

RSF envisions a world where all people have the power to use their money to regenerate people, communities, and the planet. We hope you’ll join us in making that vision a reality.

## Investing with RSF

RSF’s flagship Social Investment Fund (SIF) provides financing that helps social enterprises address the world’s greatest challenges. This fund is made possible by a community of more than 1,300 impact investors, and has a 100% repayment rate since its inception.\*

## What the fund supports

Through the SIF, RSF offers financing that helps hundreds of businesses and nonprofits deepen their impact and achieve their missions at scale. Working in food and agriculture, climate and energy, education, and community impact, these organizations regenerate people and planet alike.

## Offering Overview

Investors can purchase a SIF note online or by mail at the following levels.

# Stories of Impact

## Lotus Foods

Lotus Foods promotes rice farming practices that simultaneously mitigate climate change, promote farmers' resilience, and empower women. RSF has supported Lotus Foods with working capital since 2013. With this financing, Lotus Foods has been able to guarantee steady incomes for thousands of smallholder farmers.

## Goodr

Goodr addresses the twin crises of hunger and food waste by connecting organizations that feed the hungry with businesses that have food to spare. A line of credit from RSF is helping Goodr acquire a new fulfillment center and scale their operations during a period of exceptional growth.

Thank you for considering RSF as your impact investing partner. **We hope you'll join us.**
