About the Program

With the RSF Donor Advised Fund (DAF), you will join a community of active philanthropists and learn and co-create with us. The RSF DAF lets you catalyze solutions to systemic problems and experiment with new giving models that challenge philanthropy's power dynamics.

Community

When opening a Donor Advised Fund at RSF, you are joining a vibrant learning community. RSF can facilitate connections to like-minded donors as well as experts in your fields of interest. We believe philanthropic funds are most transformative when they support development and testing of new models, and we learn together with our clients.

Impact

We continually advance RSF's pioneering impact DAF portfolio, investing assets in climate and social justice solutions while preserving liquidity for grantmaking.

Innovation

An RSF DAF lets you catalyze solutions to systemic problems and experiment with new giving models that challenge philanthropy's power dynamics. We approach philanthropy with a justice lens, and are well equipped to help DAF clients who are interested in restorative giving.

Personalization

We can create a customized fund structure and work with you to develop a customized plan for your giving. With our Philanthropic Advising, we are able to support clients with research, docket development, creation of a giving thesis, restorative giving, community-led solutions, and more.

Opening a Donor Advised Fund

To establish an RSF Donor Advised Fund, please complete the agreement form located at the end of this document. Remember to read this program guide carefully before signing the agreement.

Contributions

You may establish an account with an initial contribution of \$5,000 or more. The minimum subsequent contribution is \$10 per contribution.

Minimum Balance

Donor advisors must maintain a minimum account balance of \$500.

3rd Party Contributions

Individuals, corporations, and foundations that are not the initiator of the account may contribute to an RSF Donor Advised Fund and receive a tax acknowledgment letter. Other contributors are not eligible for any advisory services by making additional contributions to the fund.

Types of Contributions

Donor advisors may contribute cash, mutual fund shares, stocks, bonds, and other marketable securities to their accounts. Under certain circumstances, RSF is also able to accept shares of privately held companies, please contact us for more information. Contributions made in cash must be delivered by check or through wire transfer. Donor advisors should mail check contributions to:

RSF Social Finance
PO Box 2007
San Francisco, CA 94126

Irrevocable Gifts

RSF has exclusive legal ownership and control over contributions. Once RSF has accepted a contribution to a Donor Advised Fund, it is irrevocable.

Online client portal

We offer donor advisors access to RSF's online client portal. In it, you can manage account details, submit grant recommendations, and view recurring grant recommendations, authorized parties, and grant history. The portal also allows donor advisors to go paperless on quarterly communications such as client statements, community updates, and newsletters.

Tax Considerations

Contributions to a Donor Advised Fund are tax deductible to the extent permitted by law. The amount of the deduction depends on the type of asset contributed. Please consult with your tax advisor to determine the amount of your deduction, and to discuss the best ways to maximize the tax advantages.

Deduction Limitations

Deductions for charitable contributions are subject to Internal Revenue Code limits based on the percentage of adjusted gross income (AGI) you earn in the year of the gift. Please contact your tax advisor to determine your tax deductibility limits.

Publicly Traded Securities

For publicly traded securities held for more than a year, you may deduct up to the fair market value of the securities contributed. For securities or mutual fund shares held for a year or less, IRS rules limit your deduction to the lower of your cost basis or the fair market value.

Estate Tax

You may reduce your estate tax burden by bequeathing to your Donor Advised Fund, though we recommend you consult a legal or tax advisor to see if this option is possible for your specific circumstances.

Income and Earnings Treatment

Income that accrues to your Donor Advised Fund will increase the fund's available balance for charitable grantmaking but is neither taxable nor deductible to you.

Investment Options

RSF invests every Donor Advised Fund according to our organizational purpose, values, and operating principles, and in alignment with our investment thesis that seeks out investments that are direct, transparent, and based on long-term relationships. DAF investments are selected based on their social and environmental impact as well as their financial performance.

Liquidity Portfolio

RSF invests the majority of Donor Advised Funds in the Liquidity Portfolio. The portfolio focuses on creating long-term relationships with institutions that offer unique opportunities for positive impact in their communities by supporting economic development projects, affordable housing, and environmental initiatives. This portfolio offers donors an opportunity to preserve principal and maintain liquidity for grantmaking while supporting leading mission-driven institutions.

Grantmaking

Recommendations

As the donor advisor, you may recommend grants or recoverable grants from your Donor Advised Fund to eligible entities as outlined below. Once you complete and submit a Grant Recommendation via email or the RSF client portal, our Philanthropic Services staff will review and process the recommendation.

Disbursements

RSF disburses grant funds twice per week. We ask domestic grantees how they prefer to receive the funds: via check, ACH, or wire. Depending on their response time or other due diligence concerns, we can process domestic grants to charitable organizations within a week. Expenditure Responsibility and international grants are processed within one to three months, and our default payment method is a USD wire.

With each grant disbursement, RSF will send an award letter outlining the grant details as requested by the donor advisor. The fund can be named or anonymous.

Guidelines

The following guidelines apply to your grant recommendation:

Minimum Grant Amount:	\$250
Minimum International or Expenditure Responsibility Grant Amount:	\$5,000
Number of Grants Allowed:	Unlimited

Eligible Charities

From your Donor Advised Fund at RSF, you can recommend grants domestically to 501c3 public charities (except for the ineligible entities listed below), government entities, federally recognized tribes, and public schools as permitted by the Internal Revenue Code. You may also recommend grants to support projects of non-exempt organizations, but we would exercise Expenditure Responsibility due diligence

Ineligible Grants

RSF does not make grants to individuals, private non-operating foundations, Type III non-functionally integrated supporting organizations, or grants to support lobbying or political campaign activities. We also will not accept grant recommendations that fulfill pre-existing pledges or confer a private benefit; that includes but is not limited to the payment of membership fees, the purchase of benefit tickets, or items bought at a charitable auction. RSF has proudly taken the “Hate is Not Charitable” pledge, and will not use charitable funds to support hate groups.

Fees and Expenses

RSF Community Contribution

With RSF Philanthropic Services, our goal is to cultivate gift money as the source of economic life. Donor Advised Funds play an essential role in doing this work. And unlike other Donor Advised Fund providers, the costs your account incurs directly support our nonprofit’s mission to reimagine money and push it to the highest intents of the human spirit. We depend on your Community Contribution not only to fund excellent, human-centered services for donor advisors but also to advance innovation and thought leadership in the fields of social finance and philanthropy.

RSF will deduct the following Community Contribution from your account monthly, annualized on the average daily balance:

- A. 1.30% of the first \$1,000,000 of the Fund’s net asset value
- B. 1.05% of the next \$2,000,000 of the Fund’s net asset value up to \$3,000,000
- C. 0.80% of the next \$7,000,000 of the Fund’s net asset value up to \$10,000,000
- D. 0.30% of the next \$10,000,000 of the Fund’s net asset value up to \$20,000,000
- E. 0.175% of the Fund’s asset value over \$20,000,000.

Investment Fees

In addition to the RSF Community Contribution, RSF will charge 0.70 percent annualized on assets invested in the Liquidity Portfolio.

Grant Fees

Domestic Grants

There are no fees associated with domestic grants to charitable, tax-exempt entities. Due to additional due diligence and reporting requirements, all Expenditure Responsibility grants to non-charitable organizations are subject to a \$400 fee. The recoverable grant fee to tax-exempt entities is \$200.

International Grants

For grants to international organizations with a 501c3 status, the fee is \$600. For international organizations without a 501c3 status, there are two different due diligence methods we can conduct for each grant. The first method is Expenditure Responsibility, which proves the grant funds are being used charitably before disbursing the grant, and collect reporting after the grant is made. The other method is called Equivalency Determination, which proves it is equivalent to a U.S. 501c3 public charity. Our partner, Paragon Philanthropy, facilitates all Equivalency Determination.

The following provides details regarding each type of international due diligence and the associated fees.

Other Fees

Succession Options

Choosing a successor

When you open a Donor Advised Fund, you may choose a successor(s) to advise the fund and make grant recommendations after your death. You may name any individual you like, including your spouse, child, heir, or another representative. If it is a joint account, succession applies only after the deaths of all donor advisors. Therefore, if one donor advisor dies, the remaining donor advisor(s) retains all rights to recommend grants and name successors. Upon assuming the rights and responsibilities of the Donor Advised Fund, the successor(s) may designate his or her choice for successor. Successor recommendations are subject to approval by RSF.

Charitable Beneficiary

Instead of naming an individual as a successor, you may choose to recommend one or more eligible organizations as the beneficiary of your Donor Advised Fund account. Recommendations for a charitable beneficiary are subject to review and approval by RSF. Upon formal notice of a donor advisor's death, RSF will send the beneficiary organization(s) the account's remaining balance less any pending fees—provided it (or they) remain an eligible charitable organization.

You may choose a combination of both successors and beneficiaries for your account.

No Successor

If you do not name a successor or recommend a charitable organization as your beneficiary upon your death, the balance of your account will be transferred to the RSF Advised Fund for general grantmaking at RSF's discretion.

Receipts And Statements

Charitable Gift Receipts

Upon acceptance of a gift, RSF will provide a confirmation letter acknowledging the gift. You will be responsible for establishing the value of any non-cash contributions for tax deduction purposes.

Statements

RSF will provide quarterly account statements, available in both paper and electronic forms, indicating the fund's balance and activity for the period, including:

- Gifts received and credited to the fund
- Grants made from the fund
- Investment activity
